Cortado Corporate Server for BlackBerry

Access documents and print from virtually anywhere with Cortado Corporate Server!

Cortado Corporate Server lets you have information available at any time and at any place, all via your BlackBerry® smartphone! View, copy and paste, print and fax documents on the spot!

Cortado Corporate Server Explorer Highlights:

Copy files from your corporate network to your BlackBerry smartphone

Select and copy a file from your corporate network and paste it onto your BlackBerry smartphone or vice versa.

“Save As” will store e-mail attachments to network drive

Enable centralized collaboration on a project document.

“Send as e-mail” will retrieve documents from your network

Simply pick a file via the Cortado Corporate Server on the network drive, click “Send as e-mail” and the file will be e-mailed to the contact of your choice.

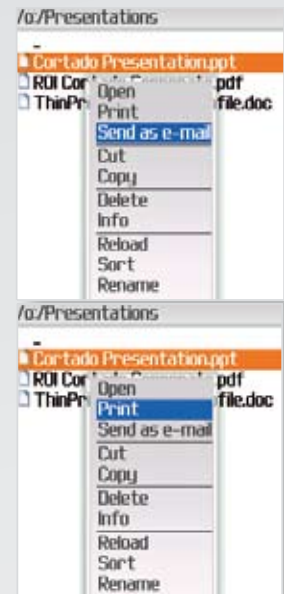

Organize folders via cut, copy, paste, delete and rename

While mobile, save time and simply organize files and folders on your company network via your BlackBerry smartphone without having a laptop with you.

Print, Fax, Preview and View any document in its original format

Print to Bluetooth®-enabled or network printers, fax machines and computer screens.

You can also create faxes directly on your BlackBerry smartphone.

Businesses Save with Cortado Corporate Server

Cortado Corporate Server increases the amount of tasks that can be done solely on a BlackBerry smartphone from 60% to 90%! Cortado Corporate Server's TCO is valued at \$363.00/user/year.

Additional saving accrued from eliminating WiFi, VPN, and associated support costs, the net TCO is negative \$349.00/user/ year! With improvements in productivity, workflow benefits, reaction time, and confidentiality/security, ROI factors range from 270 % to 1968 %!

Cortado Corporate Server Benefits Your Business

Reduce the need for field workers to call back the office for documents from price lists to presentations

Documents received can be immediately centrally stored and made available on the network

» Need a hard copy invoice to be signed on the spot?

- Keep important service information centrally organized
- Updated documents are always available, anywhere
- No downtime needed to administer paperwork
- Respond to emails that require information from your network
- Increased SLA performance
- Increased employee productivity
- Save on transportation cost and time
